The packet steamer Neva, owned by the Green Packet Company of Cincinnati, burned to the water's edge Sunday night at Buffalo, W. Va. Capt. Stalder and crew were compelled to jump into the river and swim to shore to save their lives.

The Editor of THE PUBLIC LEDGER thanks Chairman A. J. Conroy for an invitation to attend the Taft notification ceremonies today in the Queen City, but, owing to the press of business, we are forced to forego the pleasure afforded by the auspicious occasion.

## BABY GIRL CRIED AND SCRATCHED

All the Time—Torturing Eczema Covered Her Body—Could Not Sleep—Doctor Said Sores Would Last for Years—Skin Now Clear.

### CURED IN THREE MONTHS BY CUTICURA REMEDIES

"I take great pleasure in telling you what a great help it was for me to use Cuticura Soap and Cuticura Ointment for my baby niece. She was suffering from that terrible torture, eczema. It was all over her body but the worst was on her face and hands. Her hands were so bad that she could not hold anything. She cried and scratched all the time and could not sleep night or day from the scratching. I had her under the doctor's care for a year and a half and he seemed to do her no good. I took her to the best doctor in the city and he said that she would have the sores until she was six years old. But if I had depended on the doctor my baby would have lost her mind and died from the want of aid.

"I used all the remedies that everybody told me about and I tortured the child almost to death. Then I saw in the paper how Cuticura was the thing for irritating skin. I bathed her with warm water and Cuticura Soap and used the Cuticura Ointment. She was cured in three months. Now her skin is as clear and smooth as it could be. I shall recommend the use of Cuticura wherever I see the skin in bad condition. Alice L. Dowell, 4709 Easton Ave., St. Louis, Mo., May 2 and 20, 1907."
